

# Stan Rubin ('55) Swings Again

## CLASSIC BIG BAND SWING...VOLUME III

It was at the Carnegie Club, across the street from Carnegie Hall, (which Stan and his Tigertown Five filled in a landmark concert during his senior year), that Nancy Branson, a new fan, heard the 'Big Band' and said... "I want this band recorded...Now" and on February 11th of this year, at the renowned Nola Studios in NYC, this very special CD was created. Nancy was the executive producer. You can hear the band, now in its fourth year, at the Carnegie Club, 156 West 56th St. Visit [www.StanRubin.com](http://www.StanRubin.com) or phone Stan Rubin Orchestra, 914-277-7600, for a very special wedding or other event.

23 tracks – 73 minutes of music... Dance the "fox trot" in a variety of "society" tempos or "Swing Dance" (Lindy or Jitterbug) or cruise in your car and listen to Stan's recreations of HITS of the Swing Era with his own big band and singers Jill Gebert and David Belt.
